Round # 2	Competitors may be asked to do one or multiple of the performance skills.
Scoring	Round 2 skill procedure rubrics will be used for a total score.

NEW: HOSA follows **American Heart Association (AHA) OR American Red Cross (ARC)** guidelines for healthcare providers. Competitors can choose which organization's protocols to follow. Where steps differ between organizations the competitors will have the option of following either of the steps (see rubrics). Competitors will notify judges which organization's protocols they are using before beginning a skill.
