

“Gotta Have It” List 2021

One area of heartbreak at state and international HOSA competitive events is a failure to bring the needed materials/supplies to an event for orientation or competition. Every year, competitors work hard, only to lose points because they are not prepared.

Be prepared! This document lists what you need to bring to Montana SLC. Some needs will vary if you choose to go to ILC. Please be sure to check these changes and check the ILC “Gotta Have It Chart” on the national website*. Remember this supply list is per team, so if items are disposable and your chapter is sharing a kit, you may need more of the disposable items.

*Biggest changes from SLC to ILC are:

- TALLO guidelines will be different at ILC. Montana does not use Tallo, so check in about alternative submission methods
- Check digital submission dates for ILC.
- Montana HOSA does not require official HOSA binders- black or blue is fine
