

“Gotta Have It” List 2025-2026

One area of heartbreak at state and international HOSA competitive events is a failure to bring the needed materials/supplies to an event for orientation or competition. Every year, competitors work hard, only to lose points because they are not prepared.

Be prepared! This document lists what you need to bring to Montana SLC. Remember this supply list is per team, so if items are disposable and your chapter is sharing a kit, you may need more of the disposable items.

Note for presentations: there will be no WIFI or electricity provided

Some needs will vary if you choose to go to ILC. Please be sure to check these changes and check the ILC “Gotta Have It Chart” on the national website* .
